

Lowerplace Primary School NEWSLETTER - Issue 18

03/02/2017

A Singing Extravaganza!

Well done to all the children who took part in the Young Voices singing event in Manchester yesterday. The children enjoyed themselves and their teachers came back buzzing with pride about their participation and behaviour. A special thank you also to the teachers who gave up their evening to make sure our children were able to attend.

Parents Grammar Hammer Training

Mrs Lawton and the school Assessment Team have organised 2 parent workshops on the new approach to the teaching and learning of Grammar at Lowerplace. Thank you to all the parents who have indicated their intention to attend. We are getting very booked up but there are still a couple of places left in the afternoon session on Wednesday 8th Feb at 2.30pm. Please contact school if you would like one of these places. Thank you.

Lowerplace - Leaders in Computing

Mr Hall has been working hard to get Lowerplace ready to be a Lead School in the Computing At School (CAS) programme, and he is now a Computing At School Master Teacher! Well done Mr Hall and thank you on behalf of the staff and children at Lowerplace for your drive and ambition.

The [CAS website](#) explains that: the CAS Lead Schools are an important part of the development of local communities of practice for computing together with the CAS hubs, the CAS Regional Centres, CAS Master Teachers and university partners.

Teachers are always learning too...!

Congratulations to Mr Lowe, Mr Lomax and Mrs Lawton who have all been accepted onto National Leadership Courses of Study. We teachers are always learning and developing too. It's also great for parents to know that their school is a place of ambition, inspiration and lifelong learning exemplified by the dedicated teaching team here. Congratulations!!

Attendance

PLEASE SUPPORT US BY ENSURING THAT YOUR CHILD IS ON TIME AND IN SCHOOL EVERY DAY!

Class	Week ending 27 th January	Week ending 3 rd February
